## Commissioner for Patents

The Amendment filed on December 09, 2004 is non-compliant because it has failed to meet the requirement of 37 CFR 1.121. In order for the amendment document to be complaint, correction of the following item(s) is required. Only the corrected section of the non-compliant amendment document must be resubmitted (in its entirety), for example the entire "Amendments to the claims" section of applicant's amendment document must be resubmitted.

In the Amendment filed on December 9, 2004, claims are denoted as "cancelled" however, the text appears which is confusing and is incorrect. As the non-compliant amendment is a reply to a Final Office Action and since the amendment appears to be a bona fide attempt to be a reply (37 CFR 1.135(c)), applicant is given a TIME PERIOD of ONE MONTH from the mailing of this notice within which to re-submit the corrected section which complies with 37 CFR 1.121 in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD ARE AVAILABLE UNDER 37 CFR 1.136(a).
